I remember, it was back in 1995 and we had just celebrated the 10th Anniversary of our original flagship title, duPont REGISTRY A Buyers Gallery of Fine Automobiles™. The occasion marked a decade of getting to know our readers and paying visits to many of their magnificent homes and estates. We began to realize that luxury car buyers and luxury home buyers were virtually one in the same.

After an immense amount of research and feedback, we acted on the market's call to launch our Buyers Gallery of Fine Homes. The magazine was received with enthusiasm and was chosen by journalism professor, Samir Husni in conjunction with Hearst Magazine Enterprises as one of the 50 most noteworthy publications launched out of nearly 1000 that year.

Now, after a historically staggering numbers of homes offered and sold through its pages, we begin to celebrate the 14th Anniversary of duPont REGISTRY A Buyers Gallery of Fine Homes™. I would like to personally thank all of you who have been a part of the journey thus far. We have a long way to go and we update our models daily to keep up with a constantly shifting marketplace. That, coupled with nearly 400,000 potential buyers paying a monthly visit to duPontREGISTRY.com™, maximizes the success of our professional realtors and the buyers and sellers they so diligently serve.

Financially-able buyers, backed by a publishing company with nearly a quarter of a century in the luxury consumer marketplace, created for you, to serve you, and to augment your chances of effectively getting your job done, in any market. This opportunity is yours, please join us as we celebrate our 14th Anniversary and we “keep moving forward.”
